

Notification of applications that have not been finally determined (over 6 months old)

31 August 2023

TAKE NOTICE THAT the following schedule of applications are hereby notified pursuant to rule 5.11(2)(b) of the Māori Land Court Rules 2011 being applications which are 6 months or older as at 28 February 2023, and which are currently held by the Registrar in the District set out, or, in the case of applications to the Chief Judge of Māori Land Court or those to the Māori Appellate Court, by the Chief Registrar.

This is a snapshot of applications as at 31 August 2023 and some applications that appear on this schedule may already have been dealt with by the Court at the time of print.

In complying with rule 5.11(1)(a) of the Māori Land Court Rules 2011, this schedule only includes those applications which are still pending a **final** outcome or decision or determination by a judicial officer (either a Judge or a Registrar).

The Māori Land Court moved to a new database, Pātaka Whenua, in late May 2023 replacing the Māori Land Information System. All applications were migrated to Pātaka Whenua and given a new application reference number.

Applications are grouped by District and include the new and old application reference number, the date on which the application was received by the Court, the subject of the application, the authority under which the application is made and the applicant(s).

In addition, in accordance with rule 5.11(1)(b)(iii) of the Māori Land Court Rules 2011, a brief summary of the reason why the application has not been finally determined is also provided for each entry. A full description of each reason is provided below.

For further information in respect of any application on this schedule please contact the District office in which the application is located in the first instance.

S L Dodd
Chief Registrar

Description of reasons for outstanding applications

With the move to Pātaka Whenua, new descriptions of reasons for outstanding applications have been introduced. The new descriptions focus on the current stage of processing of the application through the court.

1. Application evaluation

Application is being checked for completeness prior to court staff carrying out research and preparing for the court to make a determination.

2. Prepare for Court hearing

Application is being researched and court documents are being prepared ready for a decision. The application may have been referred for a decision to a judicial officer (such as a Judge or Registrar) for a decision; order(s); or direction(s).
